

THE COLLEGE ARMS (AREA 3)

ABIGAIL WILLS

The College Arms stands at the corner of the Stratford Road (A34) and Shaftmoor Lane (B4127), just past the border between Hall Green and Sparkbrook. It marks the end of the long drag of shops coming out of town running from Camp Hill Circus. The College Arms is used for directions in the car, when walking and on the No 1 or No 6 buses. On a more personal note, I know I am nearly home when I see it as I live two roads away.
