

## SPRING HILL (AREA 5)

### GREG MASON

---

1. Spring Hill a grade 2 listed building and the first public library I used.
  2. The closed and derelict Summerhill Stores with accompanying bench.
  3. A defaced sign.
  4. Birmingham Pentecostal Church.
  5. The Shakespeare one of the few surviving pubs in the locale.
  6. Opheem a Michelin star restaurant.
  7. Somehow The Cophorne manages to survive despite all the redevelopment around it.
